PROJECT 100 / YOUR PRINTABLE WEEK

Your week. One day at a time.

Choose a level > find your day > follow its illustrated guide.

LEVEL 1 / Start with less

2 main + 1 supporting set

Stop while 4 more good repetitions are still possible.

LEVEL 2 / Add supporting work

2 main + 2 supporting sets

Stop while 3 more good repetitions are still possible.

LEVEL 3 / Add main-exercise work

3 main + 2 supporting sets

Stop while 2 more good repetitions are still possible.

One repetition = one movement. One set = a group of repetitions before a rest.

Control drills stay easy. Day 5: at most two sets. Day 6: one easy set with five more repetitions possible, or rest. Band weight is chosen individually.

DAY 1	**Push: chest and arms** 1. Chest press / 2. Triceps pressdown / 3. Shoulder raise / 4. Brace and breathe	**MY NOTES / date, work, how it felt**
DAY 2	**Legs and hips** 1. Sit-to-stand / 2. Hamstring curl / 3. Calf raise / 4. Side leg lift	**MY NOTES / date, work, how it felt**
DAY 3	**Pull: back and arms** 1. Supported row / 2. Shoulder-blade control / 3. Neutral-grip curl / 4. Brace and breathe	**MY NOTES / date, work, how it felt**
DAY 4	**Rest and recover** No strength session. Optional gentle comfortable activity.	**MY NOTES / date, work, how it felt**
DAY 5	**Full body: moderate** 1. Sit-to-stand / 2. Hamstring curl / 3. Chest press / 4. Supported row / 5. Brace and breathe	**MY NOTES / date, work, how it felt**
DAY 6	**Full body: easy practice** 1. Sit-to-stand / 2. Backward leg lift / 3. Chest press / 4. Supported row / 5. Brace and breathe	**MY NOTES / date, work, how it felt**
DAY 7	**Rest and recover** No strength session. Optional gentle comfortable activity.	**MY NOTES / date, work, how it felt**

BEFORE YOU MOVE: set your base > brace gently and breathe > move smoothly > return slowly. Stop for pain or lost control.

DAYS 1-3: focused-days-level-1.html / DAYS 5-6: full-body-level-1.html

Find both at project100.fit/downloads/kinetics/ and choose the matching level. Main red; secondary blue; support green. Bands stay orange-edged charcoal.

Equipment ceilings: L1 one kit; L2 two kits; L3 four kits. Not required loads. Band labels are nominal; individual restrictions and tolerated loads remain unconfirmed.
